

What to include in your letter of intent for membership

The letter should include the following information. These prompts are not exhaustive:

- the reason you wish to become a member and what aspects of CIRMMT interest you the most;
- the advantages and benefits both for you and for CIRMMT if you become a member;
- the intended collaborations you will/hope to make by being a member;
- how you intend to contribute to the Centre and its community;
- the resources you expect to use and how you think CIRMMT's facilities and activities will improve the quality of your research.
- ***For regular member applicants only:*** Please indicate if you are already a regular/full member of another FRQSC centre.
